Pricing vehicle emissions and congestion

The 1st Conference of the Modeling Uncertainty in Social, Economic, and Environmental Sciences (MUSEES) Association will be held at emlyon Business School (FRANCE), March 16-18, 2022.

PAPER DETAILS: Papers on any topic related to **modeling in social sciences** (such as economics, finance, risk management, insurance, health, sociology, psychology, or environmental sciences) will be considered. Papers should be written and presented in English. If your paper is accepted, you are expected to act as a chair and/or as a discussant in your field of research.

An award will be presented to the author(s) of the conference's best paper.

Submission and contact via the following email address: musees2022lyon@em-lyon.com

The deadline for the submission of a long abstract or paper is September 30, 2021.

The notification of the program committee decisions will be sent to authors by November 30, 2021. The registration deadline will be December 31, 2021.

If possible, travel by train, not by plane!

We look forward to seeing you in Lyon,

Yann Braouezec, Ieseg School of Management

André Gorius, Govalia

Olivier Le Courtois, emlyon business school

Sébastien Lleo, NEOMA Business School

Jean-Luc Prigent, CY Cergy Paris University
